

Finding Joel & Niagara Falls Walking Tours

Tours begin at the corner of Old Falls St & Prospect St. at 8:30 PM (approximately 303 Prospect St., Niagara Falls, NY 14303) 1 block south of the Hard Rock Café. If you don't see me, look for the kiosk on Old Falls St that rents bicycles and ask for me.

(If you see this guy lurking about, please contact the authorities. He is sometimes known to carry a black and red back pack)

Tour Tips

Please call, text or contact me the day before the tour to confirm reservations
(716) 997-2245.

There is some free parking available on Old Falls Street.

Parking at the official Niagara Falls State Parking lot is \$10. There are other private lots nearby, but I suggest using the State lot.
